

Partners In Care

March 11, 2019

Mountain View Neighborhood Association
c/o Carol Elwood, Land Use Chair

Partners In Care is planning an expansion of our facilities located at 2075 NE Wyatt Ct in Bend. As part of the City of Bend Site Plan Review process, we are required to hold a neighborhood meeting to share our expansion plans. As a property owner located within 500 feet of our property, you are invited to attend this meeting.

When: Thursday April 4, 2019 at 6:30pm

Where: Partners In Care at 2075 NE Wyatt Ct, Wyatt Conference Room

Agenda: Our architects and engineers will present the site plan, floor plans and building elevations along with other relevant information about the proposed project. There will be a time for questions and answers.

Partners In Care is proud to be Central Oregon's largest and oldest independent, non-hospital based, nonprofit Home Health and Hospice organization. We are certified by Medicare to provide home health, hospice, and palliative care to residents at our 6-bed hospice inpatient facility and wherever patients call home.

Our existing building on Wyatt Ct includes administrative offices and the Hospice House inpatient facility. Our expansion plan calls for the construction of a new 12-bed Hospice House, along with associated parking and landscaping. Our existing building will continue to serve our administrative and clinical staff which will expand into the space previously occupied by patient rooms. A new parking lot accessed directly from Courtney Drive will be constructed to support the expansion.

We look forward to this neighborhood meeting to review our plans with you.

Sincerely,

Eric Alexander
President and CEO
